1. Object 37 of Wismut AG is located in Chemnitz-30, Jagdschenkenstrasse 27, on the premises of the former Auto-Union factory. It is responsible for the basic overhauling of all Wismut motor vehicles, processing 150 to 200 vehicles per month. The Object has a staff of about 1500 persons. Soviet chief of the Object is (fnu) Cloba, with a staff of seven or eight Russians.
2. By January 1952 an unidentified Russian General had replaced General Maltsev as chief of Wismut AG. The new general was about 50 years of age; 165 centimeters tall; fat; sometimes wore uniform and sometimes civilian clothes; and took over Maltsev's 110 HP light blue Hudson car.
3. (Fnu) Izagin, a so-called "technical general" had left Wismut Headquarters by January 1952.
